

No Hands[®] New Body

Therapeutic Remedial Bodywork

NO HANDS[®] Massage Treatment Prices:

Treatment time is 1 hour (including consultation).

For a single session, the fee is £35. Payment is due on booking.

A course of 4 treatments is £120, a saving of £5 per session.

As the benefits of regular treatments are accumulative, this allows time for the required changes to occur at a natural pace.

The treatments are to be taken at 1 – 2 week intervals. The course can either be paid in full on the first visit, or you pay the full single session fee at each visit until the course fee is paid.

NO HANDS[®] Chair Massage treatment prices:

My treatment fee for a 20 minute session is £12.50.

Minimum callout fee is £50.00, which covers up to 4 x 20 minute sessions.

My hourly rate is £35.00 per hour (3 sessions per hour) with a minimum booking time of 4 hours.
